

Basic Detail Report

Barril

Date

Late 18th century

Medium

Earthenware with tin glaze and cobalt in-glaze decoration

Description

Three apliqued clay bands encircle body emphasize band pattern borders decorated in vine motif. Band on upper shoulder made up of repeated rosettes and branched in reserve white. Widest band decorated with diapered diamond pattern w/ centers filled with dot clusters. Both shape and decoration are survivals of the 15th century Spanish styles but painting is in blue instead of metallic lustro.

Dimensions

10 1/16 × 8 7/16 × 8 7/16 in. (25.5 × 21.5 × 21.5 cm)
