

Basic Detail Report

Our Lady of the Lakes

Date

1930's

Medium

tin, glass, paper, solder

Description

Tin frame is stamped with circular designs around the edge, and three of the same stamped designs on each side of the central rectangular opening. The black and white photo is of Our Lady of the Lakes, and is covered with glass. The tin backing for the photograph is soldered

to the frame and is probably from a tin can.

Dimensions

Overall: 8 3/4 in. (22.225 cm)
