

Basic Detail Report

Santa Gertrudis

Primary Maker

Artist not recorded

Medium

Tempera, gesso, pine wood

Description

Figure has usual habit and attributes of this saint, plus frogged white cuffs, red swags with red palm shapes on white edges, tiled floor, small curly red and black plant at right side. Face is pointed up with pink cheeks, pink and grey shaded upper and lower lids, suggest early Molleno--as do hands--but is not quite abstract enough. Once this

panel had a certain richness and dignity in its arrangement and color. 1930 sale price, \$10.00
