Description

Light tan candle (b) in green glazed ceramic holder (a).

The candle decorated with two red wax roses with a single hot pink rose group on two sides, the roses flanked by

small pink, white and green flowers with pairs of birds near the top. These flanked by electric blue and hot pink metalized plastic flags. Between the flags are trumpet shaped white flowers with hot pink centers, the petals decorated with gold foil. Light green foil swirl, now loose, wraps the top of the candle. Below the large roses are white cherub faces with outstretched arms.
