

Basic Detail Report

Kinetic birds

Date

1990s

Primary Maker

Artist not recorded

Medium

Wood (balsa), tempera paint, ceramic bead, string (synthetic fiber)

Description

Two white birds with green wings and tails and red or black feather details, standing on a long rectangular base painted red and yellow. The birds peck at black dots on a green "bowl" when the base is moved from side to side. A large ceramic bead is tied to red to the string which is attached to the necks of the birds.

Dimensions

6 7/8 × 13 7/16 × 1 3/8 in. (17.5 × 34.2 × 3.5 cm)
