

Basic Detail Report

Child's Bonnet

Date

c. 1800

Primary Maker

Artist not recorded

Medium

Silk brocade, gold bobbin lace

Description

Golden bonnet with highly intricate designs and details.

The late 18th / early 19th century child's bonnet is in excellent condition. The silk brocade ground is extensively

covered in gold torchon fan lace and trimmed in linen lace. We have a couple of similar examples from Europe, but none as finely rendered nor as well maintained.

Dimensions

4 3/4 × 4 3/4 × 3 15/16 in. (12 × 12 × 10 cm)
