

Sacred clay tablet with abstract design

Date

ca. 1985

Primary Maker

Artist not recorded

Medium

Clay

Description

Tablet with abstract design in center. Inverted isosceles triangle extends down from top edge of tablet to lower section where the point rests on a vertical line coming up from the bottom edge. At the intersection, two long, narrow, organic shapes curve upward. In the center of the triangle, a small pentagonal shape is connected to the two longer edges of the triangle by four lines.

Dimensions

2 1/16 × 1 9/16 × 9/16 in. (5.2 × 4 × 1.4 cm)
