

Hudoq (mask) in the form of a hornbill and dragon

Date

Early-mid 20th Century

Medium

Wood, paint, glass mirrors, metal nails

Description

Black, white, red paint on wooden carved tribal mask featuring geometric designs around the face. The face has bulbous eyes, a large nose or bill, large ears attached on either side of the main face, and large horns attached to

the tops of the ears. The mouth has four large, pointy teeth jutting out from the lips and the mouth itself juts out underneath the nose, in conjunction with an elongated, jutting chin.

Dimensions

17 1/4 × 20 3/4 × 15 in. (43.8151 × 52.7051 × 38.1001 cm)
