Date

2016

Primary Maker

Alfonso Sulca Chávez

Medium

Sheep's wool weft, cotton warp, natural dyes

Description

Wall hanging or rug in a monochromatic color scheme of black, greys, and white. The piece has the appearance of containing another textile with a repeated pattern of geometric designs and stylized birds, and is given the illusion of depth by the addition of dark greys and blacks. The image appears to be rolling, with peaks and troughs to the surface.
