

# Basic Detail Report

---

## Double Tobacco Barn

### Date

April 2009

### Primary Maker

Winton Eugene

### Medium

Ceramic, stoneware made with commercial clay, commercial glaze, electric-kiln-fired.

### Description

White pitcher with painted scene depicting Southern "Double Tobacco Barn," which consists of two brown

buildings with green roofing, connected by a green covered walkway. There are two trees showing fall colors behind the double barn, and a large green tree with a tire swing on the reverse. Long, rounded handle with a decorative curl at the lower end. Blue tint along the base of the pitcher matches the dark blue internal glaze.

### Dimensions

8 7/8 × 4 3/4 × 6 5/8 in. (22.6 × 12 × 16.8 cm)
