Medium

Wood, plastic, wire, metal, computer memory board pieces

Description

The representation stands on a two-tiered wooden base and consists of three pieces, evenly spaced, on a memory board. In the foreground is a plastic plaque of three red

roses with leaves. Behind it is a double floral design with pieces of memory board covered in a clear plastic. Bolted to this and extending forward is an image of the Virgin of Guadalupe (blue robe, pink dress) on a crescent moon (metal). The third and background piece is a cross centered with multicolored stripes. At its peak is an image of a dove (The Holy Spirit).
