Bracelet with pewter thread embroidery (armband tenntrådsbroderat)

Date

ca. 2023

Primary Maker

Doris Risfjell

Medium

Reindeer leather, felted wool and thread, silver alloy, pewter thread

Description

Woman's size bracelet with brown reindeer leather backing/lining, black felted wool, and a inspired Sami drum design repeating (connected ovals with crosses). Silver etched clasp. The silver clasps for her bracelets are made by a local gold/silversmith Tore Gunnar Davidsson, according to her specifications (like this one, etched with South Sámi style patterns). Clasp stamped "TGD" (Tore Gunnar Davidsson) and "830" (83% silver purity). Doris has also initialed the interior of the band in wool thread with her maker's mark (a D atop and joined to an R).
