

Basic Detail Report

Parrot brooch

Primary Maker

Los Castillo

Medium

Metal, stone

Description

Pin made of two married metals and two stones. Square in shape, with rounded corners. The left side is primarily a green stone, with a circle of silver and a brassy metal. The right side is primarily a brassy metal, with a circle of silver, and a squiggly shape of black stone. Between the sides is a line of the brassy metal.
