Basic Detail Report

Shaman's ritual rattle-dagger

Date

Late 19th century

Medium

Iron

Description

Ritual rattle made of metal. One end is flat and in a long oval-shape. The other end is a large ring, with smaller rings on it. The smaller rings make the rattling noise when the piece is moved.

Dimensions

15 3/8 × 4 1/8 × 9/16 in. (39 × 10.5 × 1.5 cm)
