

# Basic Detail Report

---

## Male traditional dress doll

### Date

1920-1972

### Medium

Buckskin, ink, cotton cloth, velveteen, muskrat fur, leather, thread

### Description

Face of buckskin over cotton with cutouts to represent eyes (with blue ink dots) and mouth. A piece of buckskin is sewn on to create the nose. The clothing consists of a brown fur hooded parka, red velveteen pants, tan leather moccasins and mittens which are connected to a tie which

extends across the neckline and around the neck.

### Dimensions

27.5x15.25x7.5 cm
