# Basic Detail Report

## Man and dog sled doll

### Date

1920-1972

### Medium

Wood, varnish, fur (land otter or mink), leather, paint, thread, nails, metal

### Description

The sled is made out of wood and leather lacing. On the back of the sled is a man with a head made out of wood with painted black eyes, eyebrows, nose, and mouth. He is wearing a hood that covers the rest of his head. His parka is made of light brown fur and his pants are made of darker brown fur and are stitched up the back. His boots are dark brown and he has a brown leather pouch around his waist.

### Dimensions

7 1/16 × 3 1/2 × 17 11/16 in. (18 × 8.9 × 45 cm)
