Description

This white, cotton chemise is made of two different colors and weights of cotton (sleeves are whiter and heavier). The hem and lower seam areas are intricately embroidered in natural white with fine but simple lace inserts. The bodice opening is embroidered in red-white-white X's alternating with green and yellow X's. Cross-

stitched flowers extend from the sides. The geometric embroidery of the heavily fringed sleeves is mainly in red- two shades- with green and white accents.
