Basic Detail Report

Building series, church

Date

CA 1965, STAFF

Medium

Ceramic, paint, metal wire

Description

These two slab built building miniature churches both consist of a main section with large open archway at the center structure, and two smaller archways to at the base of each of the steeples on the right and left. Both buildings exhibit a wide range of primary and secondary color decoration, as well as an over white matte paint base. One of the set has three white birds attached by wire flying above the building, and there other has just one bird attached by wire flying over the center of the structure.

Dimensions

Overall: 14 3/4 x 9 7/16 x 9 1/16 in. (37.5 x 24 x 23 cm)
