

Funerary figure

Date

Early 20th century

Primary Maker

Artist not recorded

Medium

Tree fern, spider web, clay, boar's tusks, natural pigments

Description

Elongated oval simplified figure with unpainted bottom for inserting in the ground. The figure is simplified to a long area below the face painted in red, white and black interlocking diamond and zig-zag motifs. Boars tusks protrude from just below the modeled nose. The eyes are deeply set under heavy eyebrows, and a tall point tops the head, also painted with a large off-white diamond with red, white and black around.
