

Door Lock

Medium

Wood, metal, stain

Description

Door lock in the form of a stylized, simplified hardwood figure has squared off horns and outward pointed end. Through the center back a horizontal latch slides through a cutout. Figure has zigzag carving on horns and X motif on torso. Another small horizontal piercing is carved in back above latch. Latch has rounded "handle" at proper right end with wider rounded raised area before narrowed central sliding area with metal strip on top side and

horizontal row of bicolored X motifs on front. The wider flattened "pipe shaped" proper left side is crosshatched and the top hollowed out. The piece is mounted onto a black metal stand at back.
