

## Tree of Life

### Primary Maker

George López

### Medium

Wood, glue

### Description

Small, unpainted Cordova style chip-carved wood Tree of Life. A semi-circular ring rises from a flat-topped pyramidal base. From the ring leaves project upwards and forwards, a bird is perched upon each forward projecting leaf. A "fan" of leaves projects upwards at the back of the base, behind the ring.

### Dimensions

8 1/16 × 8 11/16 × 5 11/16 in. (20.5 × 22 × 14.5 cm)
