Description
iPhone case (ab) is a black trapezoidal lidded box. On the top (b) is a lacquered image of five people in traditional Uzbek garb holding iphones, wearing headphones and with Apple logos (apples with a bite taken out) behind them and on the iPhones they hold. Around the top edge is a delicate gold dot and spiral motif with floral forms at the top and bottom on a black ground. On the case bottom sides (a) are also delicate floral motifs on a black ground. Inside the top (b) and bottom (a) is a red velvet lining. The case sits in a blue velvet-lined and covered storage/display box (c) with brass strips around the outer top and bottom sides, brass hinges and clasp. A blue satin ribbon holds the lid in place when the box is opened. The top is padded.
