

Crowned virgin

Medium

Wood, paint

Description

This painted virgen wears a crown, print dress with floral motifs, and a blue cloak lined in yellow. Her arms seem to be holowed and may have held figures now missing.

There is also a small hole (intentional) by her bent arm.

She stands on a small blue base (same wood piece) with stylized clouds.

Dimensions

11 7/16 × 4 3/4 × 2 9/16 in. (29 × 12 × 6.5 cm)
