

Basic Detail Report

Coyote

Date

ca. 1985

Primary Maker

Epifanio Fuentes

Medium

wood, paint, nails, adhesive

Description

Carved and painted wooden figure of a standing coyote. Upright elongated ears, and a long, flattened tail. Body, upper legs, head, and tail are painted purple with short

black linear markings suggesting fur. Muzzle, underside of body, and lower portions of legs are painted tan with additional black linear markings. Face has circular yellow, white, and black eyes, black painted nose, and an open mouth painted red. Ears are painted turquoise with bright pink interiors. Paws are delineated with black painted lines indicating toes. Legs and tail are nailed to the body. Tail can move slightly back and forth.

Dimensions

8 3/4 × 3 1/4 × 14 1/2 in. (22.225 × 8.255 × 36.8301 cm)
