---

## Figural whistle, 25 de julio, 1990

### Date

2018

### Primary Maker

Rosalia Tineo Torres

### Medium

Ceramic, slip

### Description

This sculpture consists of three figures all adhered into one solid piece. The first figure is a woman with white hat covering her eyes, white and patterned blouse and long skirt, her hands are bound. The second figure is a masked soldier with a rifle slung across his back, light brown top and bottom with brown boots. He is holding onto the woman and the rope around the neck of the next figure. The last figure has light brown hair, a rope around its neck, a vertically striped shirt and white pants.

### Dimensions
