

Hat

Medium

straw, wool, leather

Description

Brim is flat and wide, and of a double layer of plaited straw. The narrow plaits are stitched together with cord all the way around the brim. This continues in order to form the crown of the hat, which is quite small in diameter.

Measurements are DIAM x depth

Dimensions

15 9/16 x 2 3/16 in. (39.5 x 5.5 cm)
