

## Ceremonial Skirt Panel

### Date

20th century

### Medium

Raffia palm fiber

### Description

Diamond shapes of different dimensions occur at regular intervals, creating the illusion of interlocking cubes;

looked at another way, elongated hexagons are described by triangular shapes or six-sided stars.... Light, medium and dark pile alternate with light and dark flat embroidery stitches to create shapes divided into light and dark sections. Overall regularity of design. Very handsome. Color: Tan, light brown and dark brown on a light brown ground. Technique: Plain weave (ground cloth), cut pile and satin stitch embroidery.

### Dimensions
