

Bear Wall

Date

1984

Primary Maker

Marvin Oliver

Medium

Wood (red cedar), pigments

Description

Pair of carved cedar doors consisting of four parts- the two doors and a carved face for each door that can be removed (by screws); handcarved in a traditional Northwest Coast formline design depicting a bear. Made of red cedar and painted with red and black pigments. Hand carved faces attach to doors (one for each door); colors are natural wood accented with red and black pigment.

Dimensions

92 × 42 5/8 × 2 in. (233.7 × 108.3 × 5.1 cm)
