

## Barril

### Date

19th century

### Medium

Earthenware with tin glaze and cobalt in-glaze decoration

### Description

Barrel shaped. Hispano-Mauresque design elements during decline of quality in glaze and brushwork. Both surfaces glazed in cream, decoration in light and dark blue. Against a checkerboard of solid dark rectangles alternating with reserve white rectangles containing four-dot clusters appears a flying phoenix scene

### Dimensions

12 3/4 × 11 × 11 in. (32.4 × 28 × 28 cm)
