

Nuestra Senora del Rosario (?)

Primary Maker

Jose Benito Ortega

Medium

Wood, paint

Description

This figure wears a red dress with deep yellow flounce trimmed with red and green, and pointed black shoes with heels, separately attached. The hands might as well have held the infant and a rosary, or a scapulary. The face is long heavy jawed, sharp nosed and lively style of Ortega's best.

Dimensions

Overall: 15 3/4 in. (40 cm)
