

Basic Detail Report

Basketry tray

Date

1900-1950

Medium

Grasses, vegetal fiber

Description

Large, round, shallow basketry tray with five broken concentric circles in dark brown dyed grasses on a golden brown ground. The circles connected by lines which widen to triangular forms, where they connect to the next larger circle, creating a swirling visual motion. The rim is finely braided, the dark coils with variegated stitching in small

groups throughout.
