

## Sacred clay tablet with two triangles

### Date

ca. 1985

### Primary Maker

Artist not recorded

### Medium

Clay

### Description

Tablet with small triangle inside larger triangle in upper half of tablet. Smaller triangle is formed by the intersection of lines parallel to sides and base inside of

the larger triangle. Two thick lines drop from base of larger triangle to bottom of tablet with short horizontal extensions near bottom. Surface of tablet is rough at apex of triangles and especially along left edge.

### Dimensions

1 7/8 × 1 9/16 × 7/16 in. (4.7 × 3.9 × 1.1 cm)
