

Sacred clay tablet with complex abstract design

Date

ca. 1985

Primary Maker

Artist not recorded

Medium

Clay

Description

Tablet with complex abstract design. Main elements are a pair of unevenly sized, squared off C shapes facing away from each other. The backs of these two shapes are close enough together that connecting them with a pair of short diagonal lines forms a trapezoid. At the top of the design, two triangles each have a wedge shape above.

from each other. The backs of these two shapes are close enough together that connecting them with a pair of short diagonal lines forms a trapezoid. At the top of the design, two triangles each have a wedge shape above.

Dimensions

1 15/16 × 1 5/8 × 3/8 in. (4.9 × 4.1 × 1 cm)
