

Sacred clay tablet with abstract design

Date

ca. 1985

Primary Maker

Artist not recorded

Medium

Clay

Description

Tablet with abstract design. A form somewhat similar to a mushroom with a broad, upward curving stem and elongated cap extending from bottom to top of the tablet.

A curving line at the top of the tablet is just above the cap and closely follows its contour. Four short lines attached to the curving line point upwards. At the base of the tablet, a large wedge divides the stem shape.

Dimensions

2 7/16 × 2 5/16 × 3/8 in. (6.2 × 5.8 × 1 cm)
