

Basic Detail Report

Bobcat, small

Date

1995

Primary Maker

Ron Rodriguez

Medium

Wood, paint, plastic, metal, wood splinters, marbles

Description

Sitting bobcat painted light yellow with black spots and a white underbelly. The stubby tail is black on the end. The head has a protruding red wood tongue behind tan wood

teeth, along with marbles for eyes and black tufted ears. The natural wood tufts stick out from each side of his head and run down the chest. Several black whiskers are on each side of the nose. On each of the four feet are four metal claws.

Dimensions

21 7/16 × 9 7/16 × 19 11/16 in. (54.5 × 24 × 50 cm)
