

Basic Detail Report

La Muerte

Date

2016

Primary Maker

Patricio Chávez

Medium

Wood, metal, horse hair, tin

Description

Standing wood skeleton figure (a) with a scythe (b) leaning against her left hip and arm. His left and right arms are pegged and extend out from the body. A pony

tail is made out of horse hair and hangs down the entire length of the figure. The blade of the scythe is made of tin. A separate wood lantern (c) with metal loop hangs on the right hand. The figure stands on an oval base made of the same wood as the figure. A red Second Place Award ribbon (d) accompanies the figure.

Dimensions

26 3/8 × 14 9/16 × 7 5/16 in. (67 × 37 × 18.5 cm)
