Description

Straw applique piece that depicts Noah's Ark in commercially-dyed straw against a black painted background and a blue straw ocean. Noah is standing on a

natural straw ark holding two birds with a brown straw cabin behind him. There is an assortment of animals, birds, and fish in a variety of appropriate straw colors in the sky, on the deck of the boat, looking through five portholes and in the sea. A black painted lunette is on top with straw starburst design.
