

Ronin Guardián del Agua y la Tierra – Cambio Climático / Ronin Guardian of Water and Earth – Climate Change

Date

2015

Primary Maker

Olinda Silvano Inuma de Arias

Medium

Cotton, paint, vegetal dyes, glass beads, seeds

Description

Embroidered painting on brown fabric to represent the earth, with houses, plant life, and people rendered in embroidery and paint. At the bottom on the proper-left side is a river with fish and a boat surrounded by trees. This river changes as is moves to the left- it becomes a snake with purple spots surrounded by light brown.

Dimensions

39 3/4 × 42 15/16 × 13/16 in. (101 × 109 × 2 cm)
