

Basic Detail Report

Feria de Abril horse and carriage set

Date

c. 2013

Medium

Leather, brass

Description

Two large leather straps that go over the rear of the horse and under the tail; The strap that goes over the rear has several brass bells attached; Several other smaller belt-like straps are used to connect this loin strap to other parts of the harness; The stitching forms several designs

on the large strap that goes under the tail; Many small strips of leather are used where the crupper attaches to the loin strap.
