Storage Jar

Date

2006

Medium

Ceramic, wood-fired stoneware with ash glaze.

Description

Large Song-inspired liquid storage jar, with vertical combed lines over the central body. Brown, copper color on lower half, subtle color gradation caused by ash build-up resulting in silvery taupe colors near the top. Narrow base, narrower opening, three small handles on top surface, near the end of the combed portion. Short neck

which is partly coppery brown and partly taupe.
