

**Leather suspenders with fasteners**

**Date**

2018

**Primary Maker**

Hasla AS

**Medium**

Leather, silver, brass

**Description**

A black leather band with one raw side serves as the main body of each suspender. At each end are two identical metal attachments (brass) with domed silver buttons.

The front smaller button 1.5 cm diameter, has a flowered center; the larger back button has the same flowered center, outlined by a circle with scalloped forms and an outer edge with striations.

**Dimensions**

Each: 15 3/8 × 1 × 13/16 in. (39 × 2.5 × 2 cm)
