

# Basic Detail Report

---

## San Marcos, Santiago, and herranza ceremony

### Date

mid-20th century

### Primary Maker

Artist Not Recorded

### Medium

Maguey wood, potato starch, plaster, paint

### Description

This sculpture is made of plaster, wood, paint, and metal on a brown painted wooden base. The largest figure is

that of Jesus in a brown shift and cloak. On his right there is a mountain-like structure with two condor birds and two make figures. Below the mountain and at the feet of Jesus is a large black cow.

### Dimensions

11 5/8 × 11 7/16 × 8 1/4 in. (29.5 × 29 × 21 cm)
