

# Basic Detail Report

---

## Quba'a

### Date

Late 20th century

### Medium

Glass beads, cotton

### Description

Completely beaded with a horizontally striped triangle pattern, with a section of black cotton at the crown. The hood is lined in tan cotton, and has a slit up the back. Predominant bead color is white, with red, yellow, green, orange, cobalt blue and turquoise blue triangles. Eleven strands of beads form a chin strap. At the temple there

are three strands above chin strap which are four loops of beads connected on each side. The top beaded loop of temple is white, second loop is multi-colored (yellow, orange, red, green, and blue), the third loop is yellow and the fourth (bottom) loop is white.

### Dimensions

5 7/8 × 6 5/16 × 5 5/16 in. (15 × 16 × 13.5 cm)
