

Old Stage Stop, Cienega

Date

ca. 1956

Primary Maker

Pansy Stockton

Medium

Vegetal materials

Description

A depiction of the old stage stop in La Cienega, New Mexico, made with various botanical assemblages.

Mountains of various colors (blue, red, brown) are in the

background. Behind the mountains are white clouds. In front of the mountains are images of houses, trees, and bushes. On the right bottom of the art piece is written PANSY STOCKTON in black. On the back of the framed artwork are news articles on Pansy Stockton, a list of materials used, and the locations where they were gathered.

Dimensions

Framed: 42.8 X 53.6 X 3.8 cm
