

Basic Detail Report

Shoes

Date

1913-1919

Medium

Leather, cotton, metallic thread, sequins

Description

These light-colored leather shoes are made of a single piece of leather joined at toe. The woven uppers in blue, black, brown and gold threads. The tongue is a loop ending in a brown and orange pom-pom. Around the opening is a tightly woven brown collar extension into which cotton tie is interlaced.
