Description

This white cotton chemise has fine embroidered geometric patterns in the same color and rise from hem up the seam 31cm. A lace insert of 24cm length and 1.5 cm width gives added fullness to the dress. A red cotton, floral stripe print is added to the bodice opening and also forms the red collar. Intricate embroidery in red with touches of green, red, and gold form sleeves. At each cuff hang four groupings of 100cm fringe in red, each with

several strands of gold, wool-cotton yarn. The fringe areas are joined to the sleeve by a multi-colored placket, three on each sleeve and are further decorated with crochet in ecru, orange, mauve, and dusty blue.
