## Santa Rosalia de Palermo

### Date

n.d.

### Medium

pine gesso and paint

### Description

[Original Text from Physical File] Figure in black robe, painted red crown, and with long black hair. Large, boldly brushed red, blue, and black swags top and right side of panel with incised hatching. Blobs of ochre painted over the hatching. Figure is not centered in panel but over the left side. Due to yeso losses the attribute in her right hand

is lost (a cross?) while only a faint trace remains of an altar at lower left corner. She may have had a pedestal base. left hand holds nothing. Figure is very simply done but most dramatic.
